

1. Log-in page

- Not able to scroll down for additional info

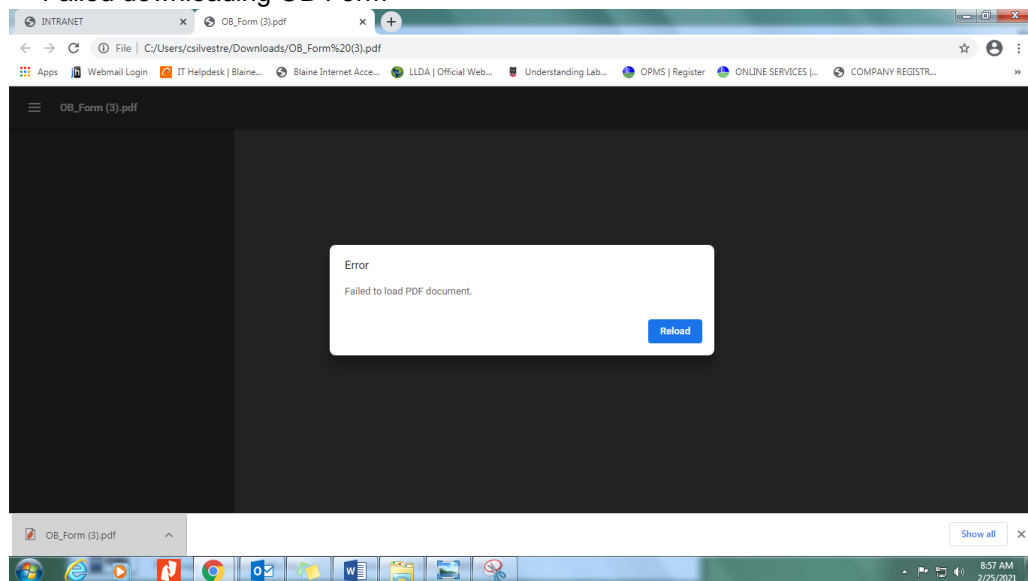

2. Logos

- Blurred

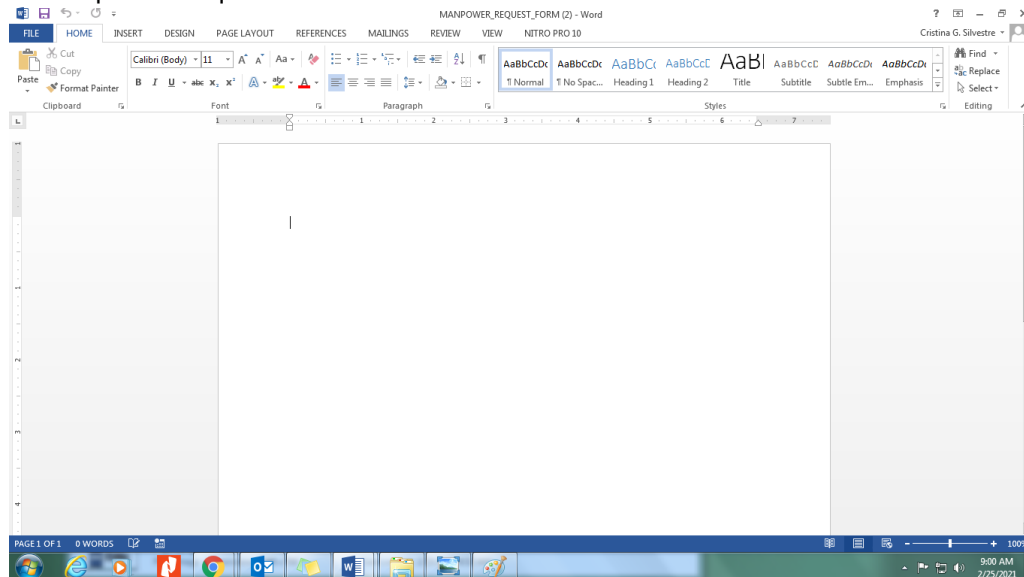

3. Blaine Forms

- Failed downloading OB Form

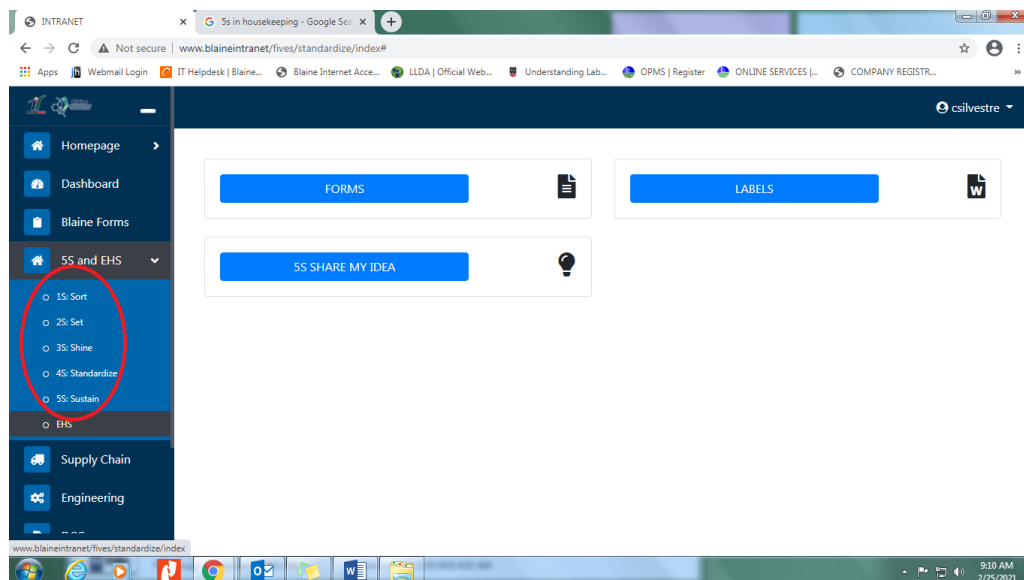

- Blank Manpower Request Form

4. 5S and EHS

- Access is limited to 4S: Standardize. No access for other 4 "S" and EHS.

5. Restricted Access

- Will all departments be reflected in the homepage?
 - If yes, is it possible to have a pop-up window for those page / department that you cannot access
- Example:
- "You are not authorized to access this page"; or
 - "You need permission to access this page"
- If I click the page, nothing happens. I thought it was an error. ☺
